X4	IL150Q	0-38	100-500	1.9	1	1/4" Quick Connect	10"

#### Notes:

X4 Series is an inline filter system with a slimline design that easily fits under your existing kitchen bench. All plumbing fittings are included for easy installation including a multifunction control valve for pressure reduction.

X4 Series incorporates the most advanced filtration technology. Designed to filter your mains, rain, harsh and rural water supply. It effectively reduces chlorine, sediment, bad taste, odours and heavy metals in water. It doesn't remove essential minerals or fluoride, leaving the water healthy and great tasting.

Can be mounted vertically or horizontally. Requires an approximate space of:

Vertical mounting: 350 (h) x 120 (w) mm  
Horizontal mounting: 120 (h) x 350 (w) mm

All plumbing installation fittings included - no extras needed.

Required hole for the tap: 12.5mm diameter

#### Warranty:

Use only genuine Puretec replacement cartridges. 10 year warranty^ is 1 year parts and labour, 9 years parts only.
