27/05/2022 Version 1.1 ASC Water Tanks
2 Park Dr, Dandenong South VIC 3175
03 8795 7715
asctanks.com.au

The pump is a submersible vortex drainage pump supplied with a 10-meter Australia power lead. The pump uses a float to cut in and out. The pump is designed to pump out of clean or grey water of neutral pH with some soft or fine solids. It is suitable for sump emptying, pumping of septic effluent and grey water systems.
