

MH15-SHP

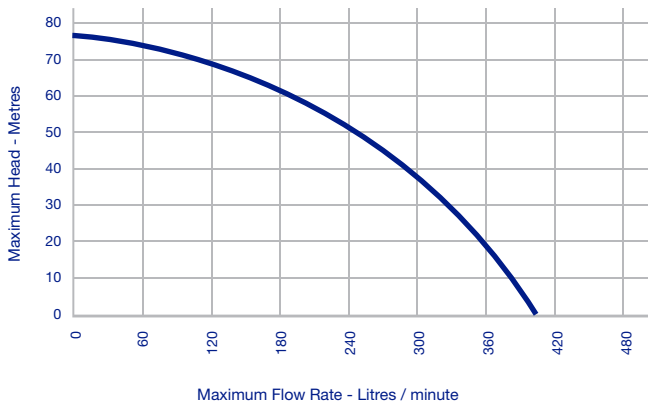

VULCAN 1.5" FIRE FIGHTING PUMP GX160

The MH15-SHP is a petrol, Honda powered pump with 1.5" suction and outlet. Its size and portability, and the self-priming pump powered by a reliable Honda GX engine make it a versatile unit. This model is perfect for domestic fire fighting applications, as well as water transfer, high pressure wash down and other household/ farm work. The pump is a single impeller, self-priming model so it is simple to operate safely. It includes a single 1.5" inlet, two 1" outlets and one 1.5" outlet.
