ADDITIONAL INFORMATION

Valve-in-head technology

Puretec has introduced valve-in-head technology, which means the cartridge can be quickly and easily changed without having to turn off the water supply.

Filters as easy to change as a light globe

The Puretec PureMix Z6 quick-change cartridge can be easily replaced - just like changing a light globe. It also incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our ^10 Year Platinum Protection Warranty.

No extra tap required - fits any standard mixer tap

The PureMix Z6 can be used with your existing mixer tap and installs right under your kitchen bench. This unit can be installed vertically or horizontally, so it won't clutter up your cupboard.
